Martin Luther King
Junior High School

"I Have a Dream . . . Brotherhood"

BERKELEY PUBLIC LIBRARY

Principal's Message

Martin Luther King Jr., as he began his rise to national prominence, made the following statement: "History has thrust upon our generation an indescribably important destiny--to complete a process of democratization which our nation has too long developed too slowly."

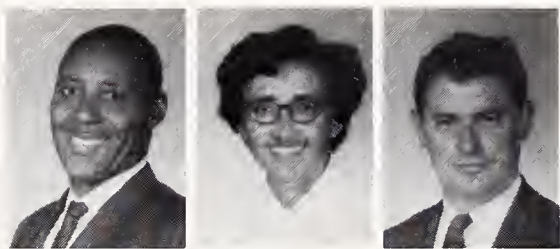

History has thrust upon you, the students of King Junior High School, the responsibility to make a noble experiment in integration meaningful for the people of our community and for the people of the nation who are watching us.

As your principal I have a great deal of faith that you can accomplish this task and bring a new dignity and understanding to the words, "...one nation, under God, with liberty and justice for all."

This year we have changed our name---from Garfield to King. In the years to come we must change attitudes. Join with me in pledging that a great man's dream will become a reality, and that our school will become a positive force in the Berkeley community.

CANONS

She's allllright!

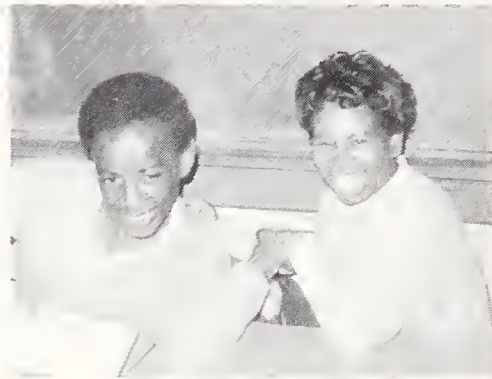

Should I sign it Love and Kisses ?

Now I lay me down to sleep...

The nerve of him, Scope...

I got him!!!!

Romeo Romeo...

A tack on my seat?

What did you say??????

And they call this a school???

Spaghetti for lunch bunch.

Ooh that itch...

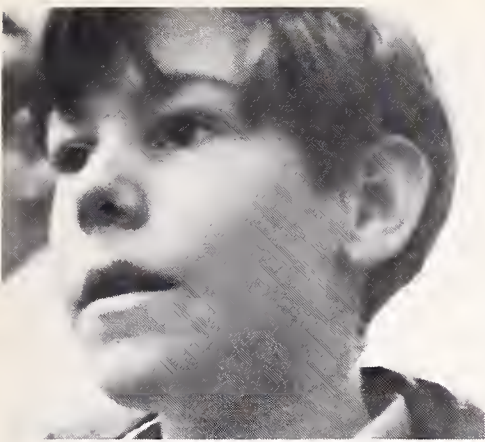

Check those legs!

Your actually eating that??

Sex appeal?

When I get big, I'm going to.....

Gee, I never thought you cared!

My mommy told me to...

King's "Playboy" '69.

No mail again?

There goes my finger!

HEY!!!

Studying's a draggggg!

MMM, there goes that nudist!

I'm just a reject!

I wonder what his name is.

Oh Terry!

When will that bus come.

If the man from the funny farm came now...

Now they're all sitting.

Thats the seventh blonde in ten minutes.

The jail yard!

Say that again!

Someday he'll come, and he'll be strong and handsome and rich....

You asked me to!

9th period

Whenever I eat popcorn, it always gets stuck to my teeth.

Hey fellas, cut it out!

My hat won't come off!

Ouch!! I sat on a tack!

I feel at home.

She pushed me.

I don't give a damn who's car this is!!!

Now where did he go...

And then he said to me, "By the way what's your name?"

This is what I'll do to him.

Hi, how are you?

Uh Uh...I'm just holding up the pipe, Mr. Jackson.

Come on over to the other side.

12:00, time to go home!

I wish there was a mirror around here so that I could look at something!

Ho Ho Ho

Are you sure they said they come ?

Very Interesting!

Oh don't flatter me so!!!

"Hi ?"

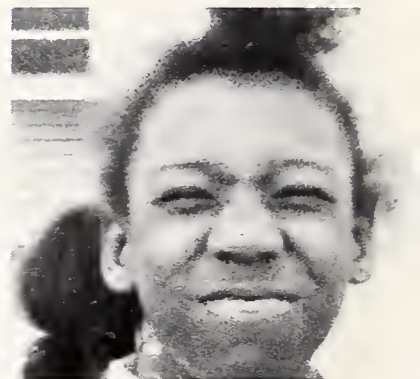

I'm not as tough as I look.

Helpppp!!!!

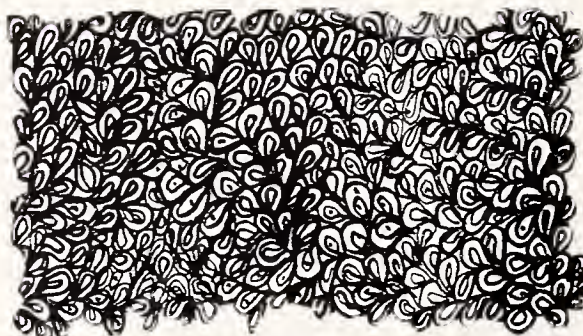

Yeah, this is where it's at!

Is that you ?

No, we don't have "Sex and the Single Girl."

Yes, I think that's the answer.

Love and kisses ?
